Part One. GENERAL PROVISIONS AND CONDITIONS

Here are some matters **you** need to be aware of before **you** read the other Parts of **your** policy that help explain **your** coverage.

1. Words and Phrases

The following words and phrases when appearing in bold face type have special meaning throughout the policy:

- a. **You** and **your** mean the person(s) or organization(s) named in Item 1 of the Coverage Identification Page under the heading "Named Insured."
- b. **Someone we protect** means any person or organization we provide liability coverage to through this policy other than **you**.
- c. **Anyone** or **others** means any person or organization other than **you**. The terms may include person(s) or organization(s) **we** define as **someone we protect**.
- d. **We, us** or **our** means the insurance company named on the Coverage Identification Page.
- e. **Aviation Managers** means Aerospace Insurance Managers, Inc., which manages **our** aviation insurance business for **us**.
- f. **Aircraft** means the aircraft owned or leased by **you** that is shown in Item 5 of **your** Coverage Identification Page or qualifying under PART FIVE of **your** policy. It includes the airframe, landing gear system, engine (including propeller governor or other parts or accessories attached or mounted to the engine), propeller or rotor, flight and engine instruments, avionics, electrical system, flight control system, fuel system, and any hydraulic and pressurization system. Parts usually mounted or attached to the **aircraft** are included while temporarily removed so long as they are not replaced by other parts. Log books, documents or other records related to the ownership or maintenance of an aircraft are not a part of the **aircraft**.
- g. **Agreed value** means the amount of money shown in Item 5 of the Coverage Identification Page. This is the amount **you** and **we** have agreed **your aircraft** is worth and the maximum amount of Aircraft Physical Damage coverage **we** provide.
- h. **In motion** means when any part of the **aircraft** is moving as a result of electrical or engine power or the resulting momentum.
- i. **In flight** means when movement of the **aircraft** begins for takeoff until completion of the landing run.
- j. **Passenger** means any person who is in the **aircraft** or getting in or out of it. If more than one of the **aircraft** shown in Item 5 of **your** Coverage Identification Page is involved in one **occurrence**, every **person** who is in any of the **aircraft** is a **passenger**.
- k. **Bodily Injury** means physical injury to a person, including sickness, disease (including mental anguish) or death resulting from such physical injury.
- l. **Property damage** means physical damage to or destruction of tangible property, including any resulting loss of use of that property. It does not include damage to or destruction of the **aircraft**.
- m. **Accident** means a sudden event during the policy period, neither expected nor intended by **you** or **someone we protect**, that involves the **aircraft** and causes physical damage to or loss of the **aircraft** during the policy period.
- n. **Occurrence** means a sudden event or repeated exposure to conditions, involving the **aircraft** during the policy period, neither expected nor intended by **you** or **someone we protect**, that causes **bodily injury** or **property damage** to **others** during the policy period. All **bodily injury** or **property damage** resulting from the same general conditions will be considered to be caused by one **occurrence**. If more than one of the **aircraft** shown in Item 5 of **your** Coverage Identification Page is involved in the same **occurrence**, all **bodily injury** or **property damage** resulting from the involvement of all of the **aircraft** will be considered to be caused by one **occurrence**.
- o. **Federal Aviation Administration (FAA)** means the authority of the United States of America having jurisdiction over civil aviation or its counterpart in another country.
- p. **Student Pilot** means any pilot holding a valid student pilot certificate issued by the **FAA**.

- q. **Renter Pilot** means any person or organization who is renting the **aircraft** from **you**.
- r. **Pleasure and Business** means use of the **aircraft** by **you** or by **someone we protect** for personal and business-related purposes where no charge is made for such use. **You** or **someone we protect** may receive reimbursement for expenses incurred in operating the **aircraft** provided such reimbursement is limited to expenses allowable, if any, to a Private Pilot under Part 61 of the **FAA** regulations.
- s. **Instruction and/or Rental** means use of the **aircraft** by **you** for the commercial instruction of, or rental to, **others** for their **pleasure and business** purposes. **You** or **someone we protect** may also use the **aircraft** for **pleasure and business** purposes.

- u. **Commercial** means use of the **aircraft** by **you** for **instruction and/or rental** purposes, **charter/air taxi** purposes and by **you** or **someone we protect** for **pleasure and business** purposes.
- v. **Flying Club** means use of the **aircraft** by **your** members for their **pleasure and business** purposes. A member is any person having an ownership interest in the **aircraft** or the organization shown in Item 1 of the Coverage Identification Page. **You** may charge membership fees and dues and **you** may also charge the members fees for use of the **aircraft**.

2. **Our Obligations and Your Duties**

We agree to provide coverage to **you** and **someone we protect** if **you** pay the premium and comply fully with the policy requirements, but if **you** do not, or **someone we protect** does not, then **we** are not obligated either to **you** or to **someone we protect**. **We** have the right to deduct any premium or other monetary obligations owed to **us** from any payment **we** make.

3. **Requirements for the Pilot Flying the Aircraft**

You must make certain that the pilot operating the **aircraft in flight** meets the requirements shown in Item 9 of the Coverage Identification Page. There is no coverage under the policy for any **accident** or **occurrence** involving operation of the **aircraft in flight** if the pilot does not meet these requirements.

4. **The Use of the Aircraft**

You must make certain that the **aircraft** is used for the purposes stated in Item 10 of the Coverage Identification Page. There is no coverage under the policy if the **aircraft**:

- a. is used for any purpose not stated in Item 10 of the Coverage Identification Page;
- b. is used for any unlawful purpose;
- c. use requires a special permit or waiver from the **FAA**; or
- d. airworthiness certificate is not in full force and effect or has been converted to a restricted or experimental certificate unless stated in Item 5 of the Coverage Identification Page.

5. **When and Where the Policy Provides Coverage**

This policy provides coverage during the policy period shown in Item 3 of the Coverage Identification Page while the **aircraft** is within the United States (excluding Alaska and Hawaii), Canada, Mexico, or while en route between these territories.

6. **If there is an Accident or Occurrence**

- a. In the event of an **accident** or **occurrence**, **you** or **someone we protect** must:
 - i. promptly notify **us** or **our Aviation Managers** and describe how, when and where the **accident** or **occurrence** happened and give the names and addresses of witnesses, injured persons and all persons onboard the **aircraft**.
 - ii. cooperate with **us** in the investigation, settlement or defense of any claim;
 - iii. answer under oath questions asked by **us** or anyone **we** designate;
 - iv. promptly send **us** copies of any notices or legal papers received relating to the **accident** or **occurrence**;
 - v. help **us** in obtaining and giving evidence, attending hearings and trials, and getting witnesses to testify; and

vi. promptly notify the police if **your aircraft** or any part of it is stolen or vandalized.

b. In the event of an **accident** or **occurrence**, **you** and **someone we protect** must not:

- i. make any statement about the **accident** or **occurrence** to **others** without **our** permission, except to government authorities making an official investigation; or
- ii. make any voluntary payments, assume any obligation or incur any expense without **our** permission, except for emergency first aid to **others** or for protection of the **aircraft** from further loss.

7. Changing the Policy

If **you** wish to change anything in **your** policy, **you** or **your** representative should contact **us** through **our Aviation Managers**, but no change occurs until **you** or **your** representative is notified in writing by **our Aviation Managers** of **our** agreement to change the policy.

8. Canceling the Policy

You may cancel the policy at any time by telling **us** in writing and in advance, through **our Aviation Managers**, of the date **you** want the coverage to end. If **you** cancel the policy, **we** will refund 90% of the unearned premium **you** have paid.

We or **our Aviation Managers** may cancel this policy at any time by mailing or delivering a notice of cancellation to **you** at the address shown in Item 2 of the Coverage Identification Page at least:

- a. 10 days before the effective date of cancellation if **we** cancel for nonpayment of premium; or
- b. 30 days before the effective date of cancellation if **we** cancel for any other reason.

Proof of mailing or delivery of the notice is sufficient proof of notice. **We** will compute the premium earned by **us** based on the percentage of the original policy period that **we** provided coverage.

We will return to **you** any premium that **you** have paid that **we** have not earned, but making the refund is not a condition of cancellation.

However, if **we** pay or have paid the **agreed value** of the **aircraft**, less any applicable deductible under the Aircraft Physical Damage coverage, **we** are entitled to the total Aircraft Physical Damage premium shown on the Coverage Identification Page for the **aircraft** for which **we** made or make payment. **You** agree to pay any premium that may be due or permit **us** to deduct such premium from **our** loss payment.

9. Other Coverage

If there is other coverage protecting **you** or **someone we protect** for an **accident** or **occurrence** covered by this policy, **we** will pay only the percentage portion that the applicable limit of coverage of this policy bears to the total of the applicable limits of coverage for all policies.

If there is an **accident** or **occurrence** covered by **your** policy involving the "Temporary Use of Substitute Aircraft" or "Use of Another Aircraft", **your** policy will be excess over any other policy protecting **you**.

If there is other insurance covering the **accident** or **occurrence** issued through **our Aviation Managers**, **we** will not pay more than the limits of coverage of the policy having the greatest limits.

10. Transfer of Interest in **Your** Policy

Neither **you** nor **someone we protect** can transfer an interest in this policy without **our** written consent through **our Aviation Managers**. If **you** die during the policy period, **your** legal representative will have all of **your** rights and duties under the policy while settling **your** estate if **we** are notified through **our Aviation Managers** within 60 days of **your** death.

11. **Our** Right of Recovery (Except PART FOUR. Medical Expense Coverage)

If **we** make any payment, **we** will take over **your** right to recover the payment from **anyone** who is responsible. **You** and **someone we protect** must do everything necessary to transfer this right of recovery to **us**, including allowing suit to be brought in **your** name or in the name of **someone we protect**. **You** and **someone we protect** must do nothing that will interfere with, limit or waive **our** right to recover.

12. State Statutes

Any statement or provision of this policy which conflicts with the laws of the state shown in Item 4 of the Coverage Identification Page is hereby amended by **us** to conform to the laws of such state.

13. Legal Action Against **Us**

No legal action shall be brought against **us** until the policy provisions have been complied with fully. No one shall have the right to:

- a. join **us** as a party to any legal action brought against **you** or **someone we protect**; or
- b. bring **us** into any legal action to determine **your** liability or the liability of **someone we protect**.

14. Concealment or Misrepresentation

We do not provide coverage for **you** or **someone we protect** if **you** or **someone we protect** has concealed or misrepresented any material fact or circumstance relating to the policy either before or after an **accident** or **occurrence**.

15. Inspection and Audit

We will have the right, but shall have no obligation, to inspect the **aircraft** and records during and up to 1 year after the policy period.

Part Two. AIRCRAFT PHYSICAL DAMAGE COVERAGE

Review Item 5 of **your** Coverage Identification Page to confirm the Aircraft Physical Damage coverage that has been issued to **you**. Please note also the **agreed value** of the **aircraft** and the amount for which **you** are responsible (deductible). This coverage is for **your** benefit and not for the benefit of **anyone** else in possession of the **aircraft**.

1. What **We** Cover

- a. Coverage F covers direct physical loss of or damage to the **aircraft** caused by an **accident** while the **aircraft** is not **in motion**; and
- b. Coverage G covers direct physical loss of or damage to the **aircraft** caused by an **accident** while the **aircraft** is **in motion**.

2. What **You** Must Pay or Bear (Deductible)

When **we** pay for loss of or damage to the **aircraft**, **you** must first pay or bear one of the following amounts unless no deductible applies:

- a. **Not In Motion Deductible**. The amount shown in Item 5F of **your** Coverage Identification Page must be paid or borne by **you** when loss or damage occurs under Coverage F. **We** will not apply a deductible amount if the loss or damage results from a fire caused by a combustion source external to the **aircraft**, lightning, explosion, theft or vandalism
- b. **In Motion Deductible**. The amount shown in Item 5G of **your** Coverage Identification Page must be paid or borne by **you** when loss or damage occurs under Coverage G.

3. What **We** Will Pay (Less Deductible)

- a. **Destroyed Aircraft**. If the cost of repair when added to the value of the **aircraft** after it is damaged and prior to repairs equals or exceeds the **agreed value**, it is a destroyed **aircraft**.

If the **aircraft** is destroyed, **we** will pay the **agreed value** of the **aircraft**, less the applicable deductible. **We** will be entitled to ownership of the **aircraft** upon payment, free and clear of any encumbrances on the **aircraft**.

- b. **Damaged Aircraft**. If the **aircraft** is damaged and not destroyed, **we** will pay the reasonable cost of repair after the **aircraft** has been repaired, but **we** will not pay more than the **agreed value**, less the applicable deductible.

If the **aircraft** is damaged by hail, **we** will pay the reasonable cost of repair of the hail damage that affects the airworthiness of the **aircraft** after the **aircraft** has been repaired. **We** will pay an amount not exceeding 10% of the **agreed value** for hail damage that does not affect the airworthiness of the **aircraft**, less the applicable deductible. Hail damage that does not result in an immediate grounding of the **aircraft** will be deemed to be damage not affecting the airworthiness of the **aircraft**.

Cost of repair includes necessary labor at straight time rates, parts and materials of similar kind and quality and the least expensive transportation charges necessary to repair the **aircraft** and return it to the place where the damage occurred or its home airport, whichever is nearer. If **you** are authorized by the **FAA** to perform, and **you** elect to perform, **your** own repairs, **you** agree to supply materials, parts and labor at **your** cost, excluding overtime payments. **We** agree to increase the allowance for **your** labor costs by 50% of the gross amount paid in wages or compensation to help **you** defray **your** cost of overhead and supervision. Repairs performed by any organization in which **you** have any ownership interest shall be deemed to be repairs performed by **you**.

4. What **We** Will Not Pay

We will not pay for physical loss of or damage to the **aircraft**:

- Pilots and Use*
 - a. Unless the requirements regarding Pilots in Item 9 of the Coverage Identification Page and Use (Item 10) are met;
- Wear and Tear and Mechanical Breakdown*
 - b. Caused by wear or tear, deterioration, freezing, mechanical or electrical breakdown or failure, including any loss or damage to a component or system of the **aircraft** that is caused in whole or in part by a defective product or the negligence of any person or organization in repairing or installing such product. **We** will, however, pay for direct physical damage to other systems of the **aircraft** that results from these causes. For the purpose of this provision, damage that results from the breakdown, failure or malfunction of any internal or external engine component, or any accessory, component or part attached to the engine is a breakdown or failure of the entire engine;
- Tires*
 - c. Tires, unless caused by theft or vandalism, or the loss or damage is the result of other loss or damage **we** cover;
- Seaplane-Amphibian*
 - d. If it is equipped for water takeoffs and landings unless the **aircraft** is identified as a seaplane or amphibian in Item 5 of the Coverage Identification Page;
- Undisclosed Ownership and Other Interests*
 - e. If **your** interest in the **aircraft** is subject to any liens, mortgages, lease or ownership interest claims of **others** unless all interests of **others** are identified in either Item 1 or 11 of the Coverage Identification Page or in an Endorsement;
- War-Confiscation*
 - f. Caused by terrorist activities or arrest, restraint, seizure, confiscation, detention by or at the direction of any government; or caused by declared or undeclared war;
- Radiation*
 - g. Directly or indirectly caused by or arising out of ionizing radiation or contamination by radioactivity from any source; or
- Embezzlement, Conversion or Secretion*
 - h. If anyone to whom **you** relinquish possession of the **aircraft** embezzles, converts or secretes the **aircraft**.

We also will not pay for depreciation, loss of use, loss of profits, loss of guaranty or warranty, or any other economic or consequential damage of any kind.

5. What **You** Must Do

If the **aircraft** is damaged, **you** must:

- Protect the Aircraft*
 - a. Do all **you** can to protect the **aircraft** from further loss, and **we** will pay **you** for all reasonable expenses incurred by **you** in protecting it;
- Proof of Loss*
 - b. Give **us** a sworn Proof of Loss statement within 90 days of the loss;

Show Us the Physical Damage

- c. Show **us** the physical damage to the **aircraft** before repair or disposition;

Show Us the Records

- d. Show **us** all records **you** have that would prove the amount of loss.

6. When **We** Will Pay

We will pay for loss of or damage to the **aircraft** covered by **your** policy:

Damaged Aircraft

- a. within 30 days after **you** have given **us** a sworn Proof of Loss statement and **you** and **we** agree on the amount;
or

Destroyed Aircraft

- b. within 30 days after **you** have given **us** a sworn Proof of Loss statement and **you** have delivered the **aircraft** log books, airworthiness certificate and a bill of sale transferring clear title to the **aircraft**.

7. Theft

If the **aircraft** or any part of it is stolen and recovered before **we** have paid for it, **we** may return it to **you** along with payment for any physical damage to it.

8. Disappearance

We will consider **your aircraft** to be lost in flight if it disappears and it cannot be located within 60 days.

9. Reinstatement of Coverage

If **your aircraft** is damaged, the amount of coverage for the **aircraft** will be reduced by the amount of the damage. The coverage will be automatically increased, at no additional premium, by the cost of the repairs completed until the **agreed value** has been restored or the policy expires. If, however, **we** pay as much as the **agreed value**, less the applicable deductible, **we** are entitled to the total Aircraft Physical Damage premium for the **aircraft** on which **we** made or make the payment.

Part Three. LIABILITY TO OTHERS

Review Item 6 of **your** Coverage Identification Page to confirm the particular liability coverage and limits issued to **you**.

1. What **We** Cover

We will pay for the damages that **you**, or **someone we protect**, are legally required to pay for **bodily injury** or **property damage** to **others** caused by an **occurrence**.

- a. Coverage D covers **bodily injury and property damage** in a combined limit of liability for each **occurrence**. Where the word "INcluding" is shown in Item 6D, the most **we** will pay for **bodily injury** to all **passengers** and all **others** and **property damage** is shown under Item 6D opposite "each occurrence." Where the word "EXcluding" is shown in Item 6D, the most **we** will pay for **bodily injury** to all persons and **property damage** is shown under Item 6D opposite "each occurrence," but **we** will not pay for **bodily injury** to **passengers**.
- b. Coverage DL covers **bodily injury** to **passengers** and **others** and **property damage** in a combined single limit of liability for each **occurrence** which includes a lower limit of coverage for each **passenger**. The most **we** will pay for **bodily injury** to each **passenger** is shown in Item 6DL opposite "each person." The most **we** will pay for all **bodily injury** and **property damage** is shown in Item 6DL opposite "each **occurrence**."

2. Who Is Protected (**You** and **Someone We Protect**)

Except for those entities and persons described in Paragraph 3 below, **your bodily injury** and **property damage** liability coverage protects **you** and **someone we protect**. The term **someone we protect** means any organization or person **you** permit to operate the **aircraft**. The term **someone we protect** also includes the following:

- a. any person riding in the **aircraft** and any person or organization legally responsible for the use of the **aircraft** provided such use is with **your** express permission; and

- b. any employee while acting within the scope of his or her employment by **you** or **someone we protect**. Provided, however, no employee is **someone we protect** with respect to:
 - i. **Bodily injury** to a co-employee while in the course or scope of his or her employment; or
 - ii. **Property damage** to property owned, occupied or rented by, or loaned to that employee or to any of **your** other employees or the employees of **someone we protect**.

If **instruction and rental, charter/air taxi** or other uses involving a charge made to **others** are permitted by **your** Policy, any person who receives compensation for providing flight instruction or pilot services (including flight checkouts, flight reviews, practical tests for license or aircraft rating purposes, or other pilot services permitted by **your** policy) in the **aircraft** for **your** benefit or on **your** behalf shall be considered to be **your** employee acting within the course and scope of employment with respect to an **occurrence** that arises out of such activities, regardless of whether **you** deem that person to be **your** employee or an independent contractor for any other purposes under any state or federal employment-related ordinance, statute or regulation.

You and **someone we protect** are protected separately. However, none of the provisions, terms, conditions and exclusions of the policy change by virtue of this protection and the limits of coverage shown in Item 6 of the Coverage Identification Page do not increase regardless of (a) the number of the entities or persons protected, or (b) the number of **aircraft** involved in the **occurrence**.

3. Who Is Not Protected

Your bodily injury and **property damage** coverage does not protect:

- a. *Other Aviation Business Activities*
Any persons or organizations (other than **you** and your employees as defined above), or employees or agents thereof, that make, sell, rent, repair or service aircraft or components, operate an airport facility, or provide instruction, pilot or flight service, where an **occurrence** arises out of any of these activities; and
- b. *Renter Pilots*
A **renter pilot** with respect to any **occurrence** arising out of the operation of the **aircraft** by a **renter pilot**.

4. What Is Not Covered

We do not cover any:

- a. *Pilots and Use*
Bodily injury or **property damage** unless the requirements of the Coverage Identification Page regarding Pilots (Item 9) and Use (Item 10) are met;
- b. *Bodily Injury to Employees*
Bodily injury to any employee or co-employee while acting in the course and scope of employment by **you** or by **someone we protect** for any claim against **you**, against **someone we protect**, or against a fellow employee. For purposes of this provision, the term "employee" means any person who receives compensation for services performed for **you** or **someone we protect** who would be deemed an "employee" for worker's compensation or unemployment benefits compensation purposes under applicable state law. The term "employee" also includes any person defined by the policy to be an employee in Paragraph 2 of this Part;
- c. *Property*
Property damage to property which **you** or **someone we protect** owns, has charge of, or transports in the **aircraft**;
- d. *Intentional Acts*
Bodily injury or **property damage** that is intentionally caused by **you** or by **someone we protect** unless done while **in flight** to prevent dangerous interference with the operation of the **aircraft**;
- e. *Injury to You*
Bodily injury sustained by **you** or damages claimed as a consequence of such **bodily injury**.
- f. *Student Pilots*
Property damage or **bodily injury** if the **aircraft** is being operated **in flight** by a **Student Pilot** with **passengers** unless a **passenger** is a pilot acting as pilot in command with the minimum requirements stated in Item 9 of **your** Coverage Identification Page;
- g. *Assumed Liability*
Bodily injury or **property damage** that **you** or **someone we protect** has agreed to assume;
- h. *Ownership and Other Interests*
Bodily injury or **property damage** liability if **you** lease, sell or mortgage all or some of **your** interest in the **aircraft** unless all interests of **others** are stated in Item 1 or Item 11 of the Coverage Identification Page or in an Endorsement;

- i. *Radiation*
Bodily injury or property damage that is directly or indirectly caused by or arises out of ionizing radiation or contamination by radioactivity from any source; or
- j. *Noise, Pollution, Electrical or Other Interference*
Bodily injury or property damage that is directly or indirectly caused by or arises out of:
 - i. Noise, vibration or sonic boom;
 - ii. Pollution and/or contamination of any kind;
 - iii. Electrical and/or magnetic interference; or
 - iv. Interference with the use of property;unless caused by or resulting from an **occurrence**.

5. Additional Protection

We also provide the following additional protection with **your** coverage under PART THREE as long as **we** have not paid the limits of coverage that **you** have purchased.

We will:

- a. *Defend Claims*
Defend at **our** expense with attorneys **we** choose, any claim or legal action against **you** or **someone we protect** with respect to any claims for **bodily injury or property damage** resulting from an **occurrence we** cover. **We** may investigate, negotiate, or settle any claim or legal action as **we** elect;
- b. *Pay Expenses*
Pay the expenses, and court costs incurred, claims or legal actions **we** defend;
- c. *Reimburse Expenses*
Reimburse **you** and **someone we protect** for all reasonable expenses incurred at **our** request, but **we** will not pay for loss of wages or earnings;
- d. *Pay Interest*
Pay post judgment interest on the part of a judgment against **you** or **someone we protect** that **we** are obligated to pay until **we** have made payment or tendered or deposited it in court;
- e. *Pay Costs of Bonds*
Pay premiums on bonds required to release attachments and to appeal from judgments **we** elect to appeal, but **we** will not pay for bonds covering any aggregate amount more than the applicable limit of coverage; and
- f. *Comply with Financial Responsibility Laws*
Comply with the provisions of any aircraft financial responsibility statute if **we** certify **your** policy as proof of **your** future financial responsibility under that statute. **We** will not, however, pay more than the limits of coverage shown in Item 6 of the Coverage Identification Page. **You** agree to reimburse **us** for any amount **we** have to pay in complying with the statute that **we** would not otherwise have had to pay.

Part Four. MEDICAL EXPENSE COVERAGE

Review Item 6E of **your** Coverage Identification Page to confirm the Medical Expense coverage and limits issued to **you**.

1. What **We** Will Pay
