GENERAL RULES

The Manufactured Home Program provides coverage under the forms and endorsements filed by the company. For coverage details refer to the form. This manual contains rules governing the usage of forms and endorsements. The rules, forms, and endorsements filed by the Company for each coverage shall govern all cases.

1. Application(s)	The agent's and applicant's signatures are required.
2. Policy Term	The policy may be written for a term of 12 months.
3. Premium Determination	Premiums are calculated by using the Rate Order of Calculation table. Developed premium is rounded to the nearest whole dollar. For example: \$100.50 would be \$101.00 and \$100.49 would be \$100.00
4. Cancellation Rule	No flat cancellation is allowed if coverage has been provided under our policy.
5. Document Retention	It is the agents' responsibility to secure the required documentation upon binding and retain this information in the insured's file for a period of seven (7) years after the last policy renewal expiration date. Any and all documentation must be made available upon company request.
6. Changes in Limits or Coverage	Changes requiring adjustments of premium shall be computed pro-rata. Return premium of less than \$3 may be waived. Any return premium due shall be returned to the insured upon request.
7. Transfer or Assignment	Policies may not be transferred or assigned
8. Fees	<ul style="list-style-type: none"> • A \$30.00 Policy Fee will apply to all policies. • A \$22.00 NSF/Return Payment fee applies on all returned payment items. • A \$7.00 Late Fee applies if payment is made after the due date. • All policies will be charged a \$7.00 Installment Fee
9. Payment Plans	All payment plans are direct bill. Policy premium for a term may be paid in full or through one of the Company's installment plans.

DEFINITIONS

1. Manufactured Home		A manufactured home is defined as a factory fabricated, transportable permanent housing unit built on a chassis. Designed to be used as a dwelling with or without a permanent foundation when connected to required utilities. It may be equipped with one or more room sections that fold, collapse, or telescope into the principal unit when being transported and which can be expanded at the site to provide additional living area.
2. Occupancy	Owner Seasonal/Secondary Residence Tenant	The insured lives in the manufactured home a minimum of 5 consecutive months or more annually. The home is not used as a primary residence, but rather occasionally for vacation or weekend purposes. Dwelling may not be rented to others. Unit is rented to others for monetary or other compensation. The mobile home must be rated based on the principal occupant. Coverage for any tenants is not provided.
3. Other Structures		Structures on the dwelling premises which are not attached to the dwelling.
4. Supplemental Heating Device		Wood, coal or pellet burning stoves, space heaters, fireplace inserts or any other solid fuel burning device that is not centralized.

5. In Park		A park is defined as a planned and named community of manufactured homes which has at least 25 occupied spaces; permanently installed water, electricity and sewage utility services; which are collectively managed; and whose residents recognize common bylaws or rules.
6. Out of Park		Manufactured homes not meeting the in park qualifications

BINDING AND EFFECTIVE DATES

Producer must be properly appointed and issued a producer number prior to binding any policies. Applications for coverage must be consistent with the written program guidelines and producer agreement. The down payment or full premium must accompany the application or endorsement. Applications and endorsements processed through the Point Of Sale System will be bound effective the date and time assigned by the system. If the Point of Sale System is off-line at the time you submit an application, please call our Underwriting department for an exception. Applications will not be accepted with a future effective date exceeding sixty days from the current date. Applications or endorsements may not be bound to cover a loss which occurred before the application is signed.

BINDING RESTRICTIONS

Whenever the National Weather Service issues a hurricane, tornado, hail or other severe weather watch or warning and the storm is within 100 miles of the location of the proposed risk, coverage acceptance is limited as follows:

- No new business policies may be written or bound.
- Renewals of the company's expiring policies may be written in the normal manner providing there is no increase in exposure to the company.
- Normal binding authority will resume after the watch and/or warning is lifted by the National Weather Service, providing there is no forecast of an imminent reoccurrence.
- Applications with an effective date/postmark combination which violate the prohibitions listed above will be rejected and no coverage will have existed.

No new policy or coverage may be bound and no endorsement of existing policies that increases the company's exposure may be requested when:

- Wildfire is within 30 miles of dwelling
- Earthquake (applicable when earthquake coverage is provided) restrictions begin with the occurrence of an earthquake or aftershock, of 5.0 Richter (or greater), and continue for a period of 72 hours for dwellings located in counties (in their entireties) within 100 miles of the epicenter.

ELIGIBILITY:

UP TO 1 LOSS IN THE LAST THREE YEARS

- Prior losses include any loss incurred on any property and/or structure owned, rented, or leased by the applicant.
- Complete details regarding the loss such as cause, location, date, and the amount paid for the loss are required.
- All repairs from prior losses must be complete.

UNINSURED PROPERTIES

- If the risk has been uninsured for 31-90 days provide complete explanation in Remarks section.
- Risks uninsured for more than 90 days are not eligible

SWIMMING POOLS

- In-ground pools must have a fence, at least four feet high with a locking gate that encloses the pool.
