With respect to operations shown in the Schedule:

**A. The following exclusions are added to Section I – COVERAGES (BODILY INJURY AND PROPERTY DAMAGE LIABILITY):**

This insurance does not apply to:

1. "Property damage" included within the "underground resources and equipment hazard"; or
2. The cost of reducing any property included within the "underground resources and equipment hazard" to physical possession above the surface of the earth or of any body of water, or to the expense incurred or rendered necessary to prevent or minimize "property damage" to other property resulting from acts or omissions causing "property damage" included within the "underground resources and equipment hazard".

**B. The following definition is added to the DEFINITIONS Section:**

"Underground resources and equipment hazard" includes "property damage" to any of the following:

1. Oil, gas, water, or other mineral substances which have not been reduced to physical possession above the surface of the earth or above the surface of any body of water;
2. Any well, hole, formation, strata, or area in or through which exploration for or production of any substance is carried on; or
3. Any casing, pipe, bit, tool, pump, or other drilling or well servicing machinery or equipment located beneath the surface of the earth in any such well or hole or beneath the surface of any body of water.
