

Turbine Aircraft Endorsement

This endorsement applies only to the following **aircraft**:

*If no entry is made this endorsement applies to all **aircraft** covered by **your** policy.*

Various provisions of this endorsement change **your** coverage. Read **your** entire policy to determine **your** rights and obligations and what is and is not covered. This endorsement changes the provisions of **your** policy under the following coverage parts:

Part Two. AIRCRAFT PHYSICAL DAMAGE COVERAGE

Paragraph 4 of Part Two, AIRCRAFT PHYSICAL DAMAGE, is changed to add the following provision:

Wear and Tear to Engine(s)

In addition to those matters not covered by this policy under Part Two, AIRCRAFT PHYSICAL DAMAGE COVERAGE, **we** will not pay for any of the following types of loss or damage to **your aircraft's** engine(s) or auxiliary power units:

- Damage caused by heat that results from the operation, attempted operation or shutdown of the engine(s);
- Damage caused by the breakdown, failure or malfunction of any engine part or accessory; or

Damage caused by an object not part of the engine or its accessories will not be considered wear and tear to engine(s) and coverage will apply if such damage results from an **accident** during ground or flight operations and the engine requires immediate repair in accordance with the manufacturer's requirements. The amount **we** will pay for such damage is, however, subject to the Engine Deductible shown below:

Engine Deductible:	\$	Each Engine
	\$	Each Accident
